Best practice-II: Student Mentoring System

Mentor-Mentees List for the academic year 2021-22

As imparting education involves the holistic development and maturity of the students, we at Department of Networking follow a mentoring system that incorporates a multidimensional approach. The mentoring begins at the time the student is admitted to the department and goes until they reach the final semester. The individual teacher conducts meeting with their mentees. Mentor Mentee ratio of the department is 1:42
